(We are indebted to Bruce Watkins for collecting tournament results from 1919 to 2010. His list did not include first names (although sometimes had first-name initials). We are working on collecting as many first names as possible. If you have any to share, please send them to [aaacta@aaacta.org](mailto:aaacta@aaacta.org) as well as any pictures or stories you may have from any time in the history of the tournament.)
