Ann Arbor City Tennis Tournament Results

(We are indebted to Bruce Watkins for collecting tournament results from 1919 to 2010. His list did not include first names (although sometimes had first-name initials). We are working on collecting as many first names as possible. If you have any to share, please send them to aaacta@aaacta.org as well as any pictures or stories you may have from any time in the history of the tournament.)
