

2023

All-School Sixth-Grade Ralleyball Tournament Information

On Tuesday, May 30, 4:30 pm

- Ann Arbor Public Schools is providing buses to transport player to the Varsity Tennis Center, leaving at 3:30 pm, or 3:45 if a particular school is the second on the route. Upon arrival, students will assemble with their school group on the lawn east of the tennis building. Cheese pizza will be served and students will receive their team tee shirt. Sixth graders who have dairy or gluten issues may want to bring their own snacks.
- The tournament is at the Varsity Tennis Center (VTC, 2250 South State Street; one-half mile north of Briarwood on west side of State Street).
- After 4:00, teams will take the courts for warmups. Play will begin about 4:30 pm. New games will begin every 20 minutes or so. Play will finish before 6:00 pm.
- Parents must pick up their tennis players from VTC. If another adult or sibling is picking up your child, it would be best to let your team coaches know by a signed note.
- Students must check out with their coaches before they leave VTC. If someone other than the child's parent is picking up the student, that person must present themselves to the team coach.
- Students need to bring water bottles (labeled with their name advised), sun screen, and tennis or running shoes (that will NOT leave black marks on the courts).

We hope players' families will be able to join us for the tournament. Grandstand seating provides excellent viewing for both the outdoor and indoor courts. If it rains, play will be held indoors, but with a modified program. This tournament is great fun for players and fans, so we encourage family and friends to join us.
