

2020

All-School Sixth-Grade Ralleyball Tournament Information

On Tuesday, May 26:

- Students should meet their tennis coaches at the school cafeteria right after school
- Cheese pizza will be served and students will receive their team tee shirt (in the size that was ordered on the permission slips). Sixth graders who have gluten or dairy issues may want to bring their own snacks.
- After pizza and changing into their tee shirts, students will be transported directly from school to the Varsity Tennis Center (VTC, 2250 South State Street; one-half mile north of Briarwood on west side of State Street) by Ann Arbor School buses. Buses will depart from schools at approximately 4:15. (Some buses will pick up students from more than one school, so the time is somewhat variable.)
- An alternative schedule, depending on the availability of buses, is that school buses would leave schools at 3:30 or 3:45 for transport to the Varsity Tennis Center. Pizza and tee shirts would be distributed at the VTC.
- The tournament will run, approximately, from 4:30pm to 6pm.
- No buses will return students to schools after the tournament; parents must pick up their tennis players from VTC. If another adult or sibling is picking up your child, it would be best to let your team coaches know by a signed note.
- Students must check out with their coaches before they leave VTC. If someone other than the child's parent is picking up the student, that person must present themselves to the team coach.
- Students need to bring water bottles (labeled with their name advised), sun screen, and tennis or running shoes (that will NOT leave black marks on the courts).

We hope players' families will be able to join us for the tournament. Grandstand seating provides excellent viewing for both the outdoor and indoor courts. If it rains, play will be held indoors. This tournament is great fun for players and fans, so we encourage family and friends to join us.
